

Volunteer Baker – Museum Café

Discover Bucks Museum is an independent charity which looks after 130,000 objects telling the story of Bucks and beyond from 200 million years ago to the present day.

We are now recruiting for a Volunteer Baker to support our visitor café offer by baking a range of goods which we sell onsite in the café. This role would be remote, flexible and creative.

What you'll be doing

You'll be making homemade cakes and baked goods which make our café offer for visitors and families appealing and delicious. You will be based offsite at a suitable location (home kitchen or commercial kitchen) and deliver once or twice a week to the museum depending on your availability. Helping the museum to improve its income, commercial side and reputation

Who we're looking for

You will enjoy baking and will want to use this skill to improve the museum's café offer. You will be happy to maintain Food Hygiene and Health & Safety Standards – once we have provided this training. You may be looking to add to your experience or skills in this area for personal and professional development. You will be able to commit to a slot with us - so that we are able to provide a great visitor experience.

How to apply

The closing date is 1st March 2025

Interviews will be held throughout the application period.
